28" Collapsible Traffic Cone with Reflective Collars

CLC28-1 | SINGLE CONE

A full-height collapsible traffic cone designed for short-term, mobile traffic control. It folds flat for compact storage in vehicles and gear bags and deploys in seconds, making it a practical choice for roadside assistance, law enforcement, towing, DOT and fleet operators.

DIMENSIONS

CONE HEIGHT	28 in (700 mm)
FOLDED HEIGHT	Approx. 2 in
BASE	12 × 12 in
BASE HEIGHT	1.7 in
TOP DIAMETER	2 in
BOTTOM DIAMETER	8 in
REFLECTIVE BANDS	6 in top / 4 in bottom

MATERIALS

CONE BODY	Waterproof fabric
BASE	Polypropylene
REFLECTIVE BANDS	High-brightness fabric

WEIGHT AND COLOR

UNIT WEIGHT	3 lbs (1.4 kg)
CONE COLOR	Orange
REFLECTIVE BANDS	Silver
BASE COLOR	Orange

PACKAGING

PACKAGING	Plastic bag
FOLDED SIZE	12 × 12 × approx. 2 in

SETUP AND STORAGE

1. **DEPLOY** Set the base on a flat surface and pull the cone up to full height.
2. **COLLAPSE** Press the cone body down into the base until it folds flat.
3. **STORE** Keep folded in a dry place.
4. **CLEAN** Wipe with mild soap and water. Let dry before storing.
