Octagon Rubber Base + PVC Post Assembly

OCTAGON BASE 30 and 60 Lbs. Assembly Instructions

Kit Includes

1. Octagon Rubber Base
1. 5ft. White PVC Post
2. Sign mounting brackets (with hardware included)

Step 1: Insert PVC post into base opening.
Make sure post goes as far in as possible,
preferably flush with the bottom of the base.

Step 2: Mount brackets to back of sign
(Make sure threaded part of bolt is facing outwards,
as seen on the illustration above)

Step 3: Widen the opening of the bracket and make sure
it wraps around the post

Step 4: Tighten with screws supplied
